## LOCATIONS IN QUARANTINE

# LATEST MEASURES

- In a new report on the Coronavirus pandemic in Chile from the Palacio de La Moneda, Health Minister Enrique Paris reported on the Vaccination Plan and pointed out that the vaccination day is expected to be carried out in a calm and orderly manner. In addition, he commented that both he and the President of the Republic will be vaccinated on the day that corresponds to them in the corresponding place and with any vaccine that has been approved by the ISP.
- So far, 56,771 people have been vaccinated with the first dose and 10,352 people have been vaccinated with the first and second doses.
- On the other hand, in the Metropolitan Region, the communes of Colina, Pirque and Isla de Maipo fall back to Transition as of Thursday, February 4 from 05:00 hours. While Lo Barnechea, Maipú, Vitacura, Providencia and Las Condes, advance to Preparation.
